A Word From the Mayor
of West Lafayette

Dear Recreation Enthusiast,

Thank you for your interest in West Lafayette
Parks & Recreation.

This guide will give you information about our
city's parks and other recreational facilities. More
information may be found in our Parks & Recreation
brochures. They are available at West Lafayette City
Hall or Morton Community Center and are mailed
each April, August and December. You may add your
name to our mailing list by calling one of our offices.

West Lafayette provides many wonderful opportuni-
ties for recreation. In addition to the parks, trails and
facilities described in this guide, many recreational
facilities for the community are provided by the
West Lafayette School Corporation.

Please feel free to call the Parks & Recreation office
for additional information about our programs.
You may also schedule many of the facilities for
special events.

I wish you many enjoyable, recreational experiences
in West Lafayette!

Sincerely,

Jan H Mills
